BOARD MEMBER VACANCY ANNOUNCEMENT

Established by Ohio statute, the Mental Health and Recovery Board of Union County (MHRBUC) is responsible for planning, funding and evaluating Union County's mental health and recovery services. Fourteen Union County residents serve as volunteer board members. These individuals include clinical professionals, recovery and mental health experts, consumers (people who use services), relatives of consumers and individuals with an interest in community service. The resulting blend of expertise and perspectives makes the MHRBUC uniquely qualified to address these important issues.

Board members are required to attend monthly Board meetings (usually the third Thursday of the month from 7:30-9:00am). Board members may participate on sub-committees that meet as needed throughout the year. Each year, continuing education is offered to Board members who must attend at least one session. On average, Board members can expect to spend 2-4 hours per month on Board business.

Eight Board members are appointed by the Board of Union County Commissioners, while six are appointed by the Director of the Ohio Department of Behavioral Health. A Board member's term of office is four years. Individuals may be reappointed to a second full term.

Currently, we have an upcoming vacancy for a state appointment.

APPLICATION PROCESS

Candidates may submit a written application to the MHRBUC Interim Executive Director. Once the application is received, it is brought forward to the Board for consideration. At that point, the MHRBUC submits the candidate's name to the appropriate appointing authority, who may conduct a brief interview.

For application information, contact Holly Zweizig, MHRBUC Interim Executive Director.
