- Counseling
- Psychiatry
- Case management

988
SUICIDE
& CRISIS
LIFELINE

Immediate Support: Call or text **988** for 24/7 support from a trained counselor. 988 is free, confidential, and available to anyone.

Mobile Response & Stabilization Services (MRSS): For youth ages 0–20, anyone — including families, school staff, or community members — can call **988** to request in-person support. If it feels like a crisis, you can call. Support is available at home, school, or in the community.

In immediate danger? Call **911** or go to the nearest emergency department, such as Memorial Health.

Questions or Need Help Navigating the Transition?
